COMPANY PROFILE

CV BERKAH USAHA MAJU BERSAMA

About Us

We are a premium coconut charcoal briquette manufacturer serving domestic and export markets. Through selected raw materials, standardized processes, and strict quality control, we ensure stable heat, long-lasting performance, and minimal ash. Quality is our promise. We foster long-term partnerships through professionalism, reliability, and a strong commitment to customer satisfaction—delivering trust and consistent excellence.

Vision & Mission

Mission

- Producing high-quality products from natural, environmentally friendly raw materials that meet export standards
- Empowering local farmers and artisans through long-term, fair and mutually beneficial partnerships
- Increasing innovation and production efficiency through appropriate technology and sustainable practices
- Opening export markets and expanding distribution networks both domestically and internationally
- Building a business that brings blessings, prioritizing the values of honesty, social responsibility, and sustainability.
